

Greetings from Indian Institute of Public Health-Delhi, Public Health Foundation of India (PHFI)!

The Public Health Foundation of India (PHFI) is pleased to announce its 'Call for Applications' for the 'eCourse in Clinical Research Methods (eLearning)', for academic session October 2021 - February 2022.

**Please Note: Last date for submission of online application is 21<sup>st</sup> October 2021. The Program shall commence by 25<sup>th</sup> October, 2021.**

The aim of this course is to provide participants with a multi-disciplinary perspective to facilitate their skills in health research. This course will expose them to fundamental concepts and basic analytic methods to cover topics spanning from conceptualization of research idea to dissemination of research findings to fully equip them to carry out original research and report their findings. The course is designed as a four month eCourse. It is a computer based online course, largely self-taught, complemented with online lectures and comprehensive printed study materials.

The course is being offered to professionals including Medical postgraduate (MD/MS) students, Diplomate of National Board (DNB) students, junior to mid-career researchers and PhD scholars in health and other closely-related disciplines, Public Health personals, senior residents, faculty/clinicians from medical and other health sciences (dental, physiotherapy, nursing, AYUSH professionals, pharmacy etc.) colleges/institutes, researchers from pharmaceutical industries, clinical research organisations, health and hospital establishments, and professionals from non-clinical background with an interest in professional capacity development in research design and analysis.

While the course fee for Indian nationals and South Asian candidates is INR 6000 for course participation (inclusive of complementary reading material) and additional INR 3000 for the final assessment/examination and award of certificate, the fee for other international participants will be USD 220 and USD 110 respectively.

We request you to kindly take note of this program and apply if interested. We also request you to kindly circulate the information of this eLearning program among your contacts.

To submit the online applications and to download the course brochure, kindly visit PHFI Centre for eLearning: <https://cdl.phfi.org/portal/node/268> and apply. The brochure is also available on PHFI website [www.phfi.org](http://www.phfi.org). We would be happy to respond to any of your queries and concerns at [ecourse\\_crm@iiphd.org](mailto:ecourse_crm@iiphd.org).
