

Baden-Württemberg-SCHOLARSHIPS 2022/2023

Call for Applications for students interested in studying abroad
at Aalen University in Germany for 1 or 2 semester/s

Announcement

The **Baden-Württemberg STIFTUNG** is awarding **Baden-Württemberg-SCHOLARSHIPS** to Students from a partner institution of Aalen University who are interested in studying abroad at Aalen University for 1 or 2 semester/s. The scholars are designed to promote the international exchange of highly qualified German (Outgoings) and non-German (incomings).

Requirements

Applicants must be highly qualified non-German undergraduates, graduates or postgraduate from a partner institution of Aalen University interested in completing part of their studies or research at Aalen University.

Upon application Students must have already been nominated for an exchange semester or year at Aalen University. After their nomination students can apply for a **Baden-Württemberg SCHOLARSHIP** at their home institution's international office.

Scholarship Details

The students who have been chosen to receive the **Baden-Württemberg SCHOLARSHIP** will receive a monthly stipend during their time at Aalen University. Stipends will be determined by Aalen University according to the total number of applications received and available budget.

The amount of the monthly stipend will be between EURO 700,- and EURO 1.400,- and is available for study periods in the academic year of 2022/2023.

Applications

Applications must be submitted to the international relations office of the student's **home institution**.

Applications must contain:

- **CV/Resume**
- **Letter of Motivation** (including information on studies and career so far and which studies are intended at Aalen University)
- **Transcripts of Records**
- **Letter of Recommendation** (must be completed by a professor and include information about academic performance and intercultural competences)
- **Proof of minimum B2 English skills**
- **German Language Certificates if available**
- **Further Relevant Certificates if available**

Applications must be received via student's home institution's international relations office! Applications sent by students directly to Aalen University will not be considered.

Applications must be submitted to the International Relations Office of the home university by 31, March 2022.

Selection Process

The decision on who will be nominated for a scholarship will be made by Aalen University based on shortlists and appraisals by the student's home university. The final decision, however, will be made by the **Baden-Württemberg STIFTUNG**.
