

3rd Seminar on Statistics Education

20-21 October 2021

3rd Seminar on Statistics Education (SSE3)-

October, 20-21, 2021-Birjand, IRAN

Due to COVID' 19 outbreak, it will be organized virtually

Announcement No.1

It is our pleasure to inform all statisticians that the Department of Statistics at University of Birjand of Iran, in collaboration with the Iranian Statistical Society will be held the 3rd Seminar on Statistics education (SSE3) on October 20 and 21, 2021.

SSE3's aims are to bring together leading academic scientists, researchers, research scholars and teachers to exchange and share their experiences and research results on all aspects of statistics education. It also provides a premier interdisciplinary platform for teachers, researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the education of Probability, Statistics, Data sciences and other related topics.

Topics for the 3rd SSE include the followings:

1. Education of Statistics and Probability at school level
2. Education of Statistics, Probability and Data sciences at university level
3. Statistical literacy
4. Applying statistics in education
5. Virtual education of Statistics, Probability and Data sciences
6. Statistical software and education
7. History and philosophy of Statistics and Probability sciences

Abstracts/Full-Text Paper Submission Deadline: August 21, 2021
