Application Procedure

To apply please [click here](#), complete the pre-application form, after which the embassy will contact you and provide the information and full application package of the relevant program.

The pre-application form also includes the question about the duration of the program, so it is necessary to select the educational institution beforehand and exactly know the duration of the program.

The complete application package also includes a letter from an academic host professor at the chosen Swiss university confirming why she/he is willing to supervise and support the study and/or research.

By filling the pre-application form, you will also be registered for the information day in September, which will be dedicated to the application process of the scholarship program.

Requirements

Research Scholarships & PhD Scholarships:

- Date of birth after 31 December 1984
- Master degree or equivalent achieved before 31 July 2020 (degree certificate)

Postdoctoral Scholarships:

- PhD degree achieved after 31 December 2016 and before 31 July 2020 (PhD degree certificate)
- Not more than 3 years after the award of the PhD. No funding for sabbaticals.

This scholarship primarily offers an opportunity to scholars who have not already been to Switzerland. Scholarship applicants may not be resident in Switzerland since more than one year when they start their grant next September. Otherwise, they are not eligible applicants.

The scholarship is valid only for full time studies or research in Switzerland. It is not compatible with fieldtrips outside Switzerland. Therefore no possibility and no funding for fieldwork.
