

Yazd University (Iran) Scholarships for International Students

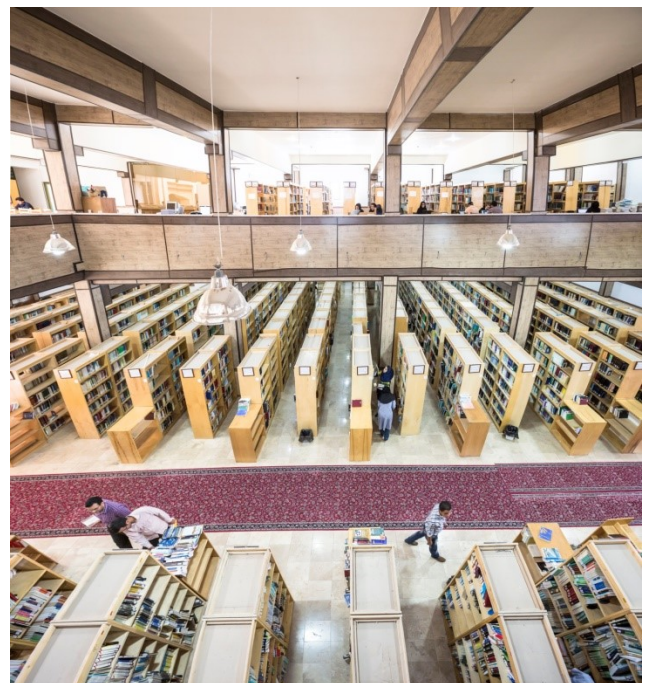

2019-2020

The initial establishment of Yazd University (YU) dates back to 1976. The University has been improving over time to the point that at present about 14000 students are educating at this university. YU has three faculties and two schools with 27 departments. Now the university runs different fields of study including 62 Bachelor, 108 Master, and 48 Ph.D. disciplines within 46 academic programs. It has currently about 450 faculty members, 400 employees and 13000 students (180 International students), which makes YU as one of the significant comprehensive universities throughout Iran. Three of its faculty members have been listed within the top one percent of the world scientists and based upon The Times Higher Education World University Rankings; YU is now in the position of the 13th top university in Iran. Through years, YU has achieved brilliant accomplishments in research activities, the results of which are presented through the publication of 150 books and 11 journals.

In 2017, the Times Higher Education Young University Rankings announced the list of the world's best universities that are aged 50 years or under. Yazd University appeared among the top 200 universities in the world. According to THE, institutions must demonstrate high standards of performance across teaching, research, international outlook and knowledge transfer to feature in the list.

In line with extensive educational activities, the authorities have also attended to campus development. YU, with a total area of 380 hectares, is located in Pajhoush Boulevard, Yazd. About 150 hectares of the land is devoted to departments and facilities. The university's main campus area is 150

hectares and the area of the eastern site is 30 hectares. The green space is 30 hectares and 24 hectares of the site is allocated to the building structure. The expansion of such developments is due to the attempts of officials, staff, professors, deans, alumni, and students.
