## Research Institute of Physics

Laboratory for Research and Modeling of Quantum Phenomena  
Researcher

## Education

|             |                          |
|-------------|--------------------------|
| Institution | Yerevan State University |
| Faculty     | Faculty of physics       |
| Date        | 2008 - 2014              |
| Degree name | Masters                  |

## Scientific Rank/degree

|                       |   |
|-----------------------|---|
| Institution           | Goethe University, Institute for Theoretical Physics                    |
| Date                  | 2018  |
| Degree name           | Postgraduate  |
| Scientific Supervisor | Armen Sedrakian   |
| Research Topic        | Relativistic hydrodynamics and transport in strongly correlated systems |

## Work experience

|                |                                    |
|----------------|------------------------------------|
| Institution    | Byurakan Astrophysical Observatory |
| Period of time | 2018 till now                      |
| Rank/degree    | Senior researcher                  |

## Scientific interests

- Compact stars, transport phenomena, relativistic hydrodynamics
