

1) Ecole Universitaire de Recherche DS4H (Digital Systems for Humans)

- M1 Computer Science (fully in English)
- M1 Computer Science AI (fully in English)
-

There are two M2 Computer Science tracks that are also in English :

- M2 Computer Science - Informatique Fondamentale
- M2 Computer Science – Ubinet

You can find more details in this link : [Master Informatique - Université Côte d'Azur - EUR DS4H - Nice Sophia Antipolis](#)

2) ELMI - Economie et Management :

Our course catalog is available in English on the following page : <https://elmi.univ-cotedazur.eu/international/incoming-student/mobility-program>

Students can choose their courses from a single Master's program, but can also complete their program with the Minors.

3) École Universitaire de Recherche Société et Environnement :

These are tracks, but they are not taught entirely in English. Students will need to choose courses.
